Subject: Institutional Permission to Host and Collaborate with RAME Publishers for Journal Publications as per UGC F. No.:1-1/2018(CARE/JOURNAL) dated 16 July, 2025

Dear Publisher,

We, the undersigned authority of **Christian College of Engineering and Technology**, hereby provide formal consent to permit RAME Publishers to associate and collaborate with our institution for publishing academic and peer-reviewed journals. These journals are intended to serve as platforms for research dissemination and academic exchange in compliance with the latest UGC guidelines and institutional quality parameters.

List of Journals Permitted for Collaboration:

Sr.	Journal Title	ISSN (Print)	ISSN (Online)	Start Year
1	International Journal of Analytical Experimental and Finite Element Analysis	2394-5133	2394-5141	January 2014
2	International Journal of Computational and Electronics Aspects in Engineering	2395-4116	2395-4124	October 2014
3	Journal of Thermal and Fluid Science	2583-3022	—	June 2020
4	Journal of Production and Industrial Engineering	2583-0961	—	June 2020

Institutional Terms, Policies, and Expectations:

1. The journals must operate under a transparent and well-defined peer-review process.
2. Editorial independence must be maintained; institutional input will be limited to academic advising when requested.
3. Journals should comply with UGC suggestive parameters including ethical publishing, indexing efforts, and archival access.
4. Open access and subscription policies must be clearly defined and publicly available.
5. No financial obligation or liability shall rest on the HEI for journal operations or associated costs.
